

HOW TO RECORD CHORUS MUSIC AT HOME

- 1 Open your **SHEET MUSIC** (*virtual or PDF*)
- 2 Open the **STUDY FILE** that you'll be using, and pause it
[Here are the study files](#)
- 3 Open **VOICE RECORDER** (type "voice recorder" into your search bar)

- 4 **START RECORDING** on the Voice Recorder
- 5 **START THE STUDY FILE**
- 6 Using the sheet music, **SING YOUR PART**
- 7 **STOP RECORDING**
- 8 **LISTEN** to your recording
If you are satisfied with your recording, go to step 9
If you'd like to re-record, repeat steps 4-8.
- 9 **UPLOAD YOUR RECORDING** to your OneDrive on Office 365
AND SHARE IT WITH ME by clicking the share arrow icon.
Search for me or enter jconahan@wsdweb.org.

FYI: Your recording is in your > Documents > Sound Recordings

As a reminder, the file that you're sending is one with JUST YOUR VOICE on it.
If it sounds like just you singing alone with no other music or sounds, **YOU'RE GOOD!**
It cannot include other room noises like TVs or music in the background.

HOW TO SET UP

EITHER use your headphones with your laptop,

OR, use another device to listen to the study file as you record to your laptop.
